Attorneys for Defendant Canon USA, Inc.

United States District Court  
 Northern District of California

Advanced Connection Technology Inc.,  
 Plaintiff,  
 vs.  
 Canon U.S.A, Inc.  
 Defendant

Case No. CV 12-6496-MMC

**Stipulated Request and ~~Proposed~~ Order Extending  
 Case Management Deadlines Pending Resolution of  
 ACT's Motion to Relate Cases** Order Continuing  
 Case Management Conference

Pursuant to Civil Local Rule 6-2, Plaintiff Advanced Connection Technology Inc. (“ACT”) and Defendant Canon U.S.A. Inc. (“Canon”) enter into this stipulation based on the following facts:

1. ACT filed its complaints against Canon, Toshiba America Information Systems, and Hewlett Packard Company on December 21, 2012:

a. *Advanced Connection Technology, Inc. v. Hewlett Packard Company*, Case No. 3-12-CV-06487-PJH, filed on December 21, 2012.

b. *Advanced Connection Technology, Inc. v. Toshiba America Information Systems, Inc.*, Case No. 3-12-CV-06489-PSG, filed on December 21, 2012.

c. *Advanced Connection Technology, Inc. v. Canon U.S.A. Inc.*, Case No. 3-12-CV-06496-MMC, filed on December 21, 2012.

2. On January 18, 2013, in anticipation of the amended complaint, the parties stipulated to extend Canon’s time to answer or otherwise respond to amended complaint to February 28, 2013. The stipulation did not otherwise affect the existing deadlines set by the Court.

3. On January 21, 2013, ACT filed its amended complaint. Canon answered the amended complaint on February 28, 2013.

4. On March 7, 2013, counsel for the parties met and conferred under Rule 26(f). In the course of this discussion the parties agreed that it would be beneficial to consolidate the claim construction procedures for all three cases. Because of the different procedural postures of the Canon, TAIS, and HP cases, a continuance of the existing case deadlines would be appropriate to allow the cases to align procedurally.

5. On March 14, 2013, the parties filed a Stipulated Request to Extend Case Management Deadlines Under Local Rule 6-2. This Court granted the stipulation on March 18, 2013 (D.I. 22.) and continued the case management conference to May 10, 2013.

6. Since the court granted the parties’ Stipulated Request, ACT has decided to request that the court consider the cases to be related. ACT intends to file an administrative motion under Local Rule 3-12 in the HP case, 3-12-CV-06487-PJH, to consider whether the Canon, TAIS, and HP cases should be related. If this motion is granted, ACT anticipates this case will be reassigned to

Judge Hamilton. The parties have met and conferred and agree that a further continuance of the case management conference pending the resolution of the administrative motion would avoid undue replication of efforts and conserve judicial and party resources.

Accordingly, the parties stipulate and respectfully request that the Court continue all existing case deadlines pending the resolution of ACT's Local Rule 3-12 motion. ACT will keep the Court apprised of further developments regarding its request to have the Canon, TAIS, and HP cases related.
